CHAMBER OF  
COMMERCE** 1882

**CHAMBER OF COMMERCE OF  
THE NETHERLANDS & TURKEY**

**Supplier Days for Dutch Multinationals**

**In association with the Istanbul Chamber of Commerce and  
the Chamber of Commerce of the Netherlands and Turkey  
Istanbul, 18-19 February 2020**

Dear Sirs / Madams,

On 18 and 19 February 2020, the Istanbul Chamber of Commerce (« **ICoC** ») will hold a unique two-day supplier days event bringing Dutch multinational companies together with the Turkish Subcontracting and Partnership Exchange (« **TSPX** »).

ICoC with its more than 420,000 members and committees represent 81 distinct sectors, is the largest and most comprehensive business organisation in a unique city since 1882.

Founded in 1990 in cooperation with United Nations Industrial Development Organization (« **UNIDO** »), TSPX is an industrial matchmaking organization within the ICoC with more than 3,500 members. For almost 30 years, TSPX has brought world's largest companies together with Turkish suppliers which stand out as qualified manufacturers.

The "Supplier Days for Dutch Multinationals" event addresses to Dutch companies willing to diversify their global procurement networks by getting access to one of Turkey's most selective and reliable data pool of suppliers and manufacturers. This entirely free of charge event presents a unique opportunity for Dutch multinationals to develop new, high-quality procurement channels with the assistance and expertise of TSPX-dedicated advisors of the ICoC.

The event will be held at the ICoC in Istanbul with the participation of a limited number Dutch multinational companies <sup>(1)</sup> (« **Main Contractors** ») and selected members from TSPX (« **Participant Suppliers** »). Participant Suppliers will be selected among the TSPX data pool together by TSPX advisors and Main Contractors' procurement teams and in accordance with Main Contractors' requirements.

The deadline for registration is November 25, 2019. Early registration is strongly advised. This will allow closer and extended collaboration between TSPX advisors and Main Contractors' procurement teams which will, in turn, increase the chances for a tailored and successful event matching Main Contractors' needs.

As the President of the Chamber of Commerce of the Netherlands and Turkey (« **CCNT** »), I would like to invite all Dutch multinationals <sup>(1)</sup> to get in touch with the ICoC and CCNT for more information and to join this unique event which presents new and high value-added business opportunities. We look forward to welcoming you on 18 and 19 February 2020 at the ICoC.

Empower your global business with Turkey's finest.

Yours Sincerely,

Ethem EMRE  
President of CCNT
